1. ☒ The amendment filed on April 24, 2006 under 37 CFR 1.312 has been considered, and has been:

a) ☐ entered.

b) ☒ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☐ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

The Response to Rule 312 Communication mailed on May 12, 2006 disapproved entry of the Rule 312 amendment filed on April 24, 2006 because it was allegedly filed after the payment of the issue fee (the PTO's PALM system indicates that the issue fee was paid on April 1, 2006). However, the applicant's representative informed the examiner that the issue fee payment was actually filed on May 1, 2006, and a review of the the issue fee transmittal form confirms that. The Response to Rule 312 Communication mailed on May 12, 2006 is thus incorrect and withdrawn.
